Electric Vehicle Charging Point - Community Centre

A two-car charge-point is now available at the community centre after we recently gained funding from Norfolk County Council (NCC). We will gain income from the point.

With petrol and diesel car sales due to stop in 2035 and more electric vehicles on our roads, charging points will become an important part of Norfolk's transport network. NCC aims to install

and try-out more points at village halls, social clubs or community centres with the agreement of parish councils or landowners. They arrange for site surveys, funding and installation of all apparatus. Their suppliers will advertise our charge-points, handle customer support and process payments. If this project is a success it could lead to more funding for charge points in the area. At the moment charging 55p per kWh. Our 'Type 2 Mennekes' charge-points run at 22kW. You'll find them on the ElectRoad App.

Bob's Mailbox – What you've asked about

Bite-size updates relating to villager queries

Small green opposite co-op – Rotting posts to be replaced to define the boundary.

Duck pond – Sufficient safety and duck-feeding advice signs are present.

St. Mary's Church grass-cutting – Funding we receive from GYBC goes directly to the church to go towards their own cutting contracts.

Weeds around business premises – please approach the businesses directly

Parish Council bottle bins – These cost us more than they raised for us and will be removed. Bottles can be recycled in household green bins.

Dissenter's Graveyard – It's a wildlife area being managed by volunteers. Please don't mow it 😊.

Defibrillator update – See our July Defibrillator update on notice boards, on our website, Facebook, in the NR29 Guide and the Parish Magazine.

Hemsby Road hedges blocking paths – Highways are aware, are awaiting nesting birds to fledge before taking action.

REPORT IT: Many of the problems in the village reported to us are the responsibility of other authorities. Visit our **REPORT IT** page for quick access to departments that can offer help with common issues. marthampc.org.uk/problems
