We're back with our newsletter after a long spell away – and we're sorry we've not been here for a while. You'll start to see more updates from us here, on our noticeboards around the village, at our events, and online. If you know of any places, groups, newsletters or any regular meetings where you'd like us to share updates do contact us with your ideas.

It's been a busy year for us at the parish council and people from Martham and surrounding villages have played a huge part in making important things happen to improve village life.

Our Chair, Bob Fossey will soon be sharing all the ways our community has worked with us to deliver projects that have improved village life over the last twelve months. Hear it first at our Annual Parish Meeting (right). He'll share how we're working to slow down through-traffic, creating places to sit and enjoy a relaxing view, encouraging more wildlife diversity, bringing locals together for fun events, representing villager viewpoints in matters like planning and more.
